

BARGAIN
BACKGROUNDS!

background check!

If you love how background stamps can quickly add depth and texture to your projects, or can't wait to collect all of the Monogram background stamps from the Spring 2006 Mini Catalog, you'll love April's Bargain Backgrounds Promotion. During the month of April, when you purchase any two background stamps, you'll receive a third background stamp of your choice for half off—with no limit to the number of stamps you can buy! What better time to build up your collection of background stamps?

[APRIL 1–30]

You'll love using these background stamps to create unique cards to share with family and friends, or amazing scrapbook pages that you and your posterity will cherish. Contact me today to schedule a workshop, and I'll share lots of fun project ideas and techniques for making the most of your background stamps.
